Q.11 Is your Master Plan current? *CURRENT* *EXPIRED* *OTHER*

A school's Master Plan is a broad framework of anticipated future needs and developments for a defined period, at a particular point in time. A Master Plan flows from a school's Education Plan, is fully integrated with the school's Asset Management Plan, and is a living document. Schools applying for a grant under the Capital Grants Program must demonstrate that their Proposed Projects are consistent with their Master Plans. The BGA is committed to supporting member schools to prepare and maintain Master Plans that give reliable and comprehensive direction to the school's development. The BGA encourages schools to prepare Master Plans with at least 5 year horizons. If a school is a multi-campus school, a Master Plan Grant is only available for a Master Plan that covers all campuses.

If current, what period of time does your Master Plan cover?

Start Date

Finish Date

Where in your Master Plan does this project fit?

If Expired or Other – please advise when a new Master Plan will be prepared

Q.12 Other Information – Is there any other information that will help the BGA understand why the school is seeking a grant?
